1. Confirming telephone conversation held 23 January 1969 between [REDACTED] and [REDACTED], please be advised that the move of office furniture and equipment out of Safesite [REDACTED] will be accomplished on 27 January 1969. 25X1A9a

2. For your information, necessary arrangements are being made to [REDACTED] not-later-than 28 February 1969. 25X1C

3. The lessor has requested restoration of the property to its original condition and in addition asked that one air-conditioner remain in its present location. It is suggested in the interest of saving the time and cost of renovation, that perhaps the lessor would consider a trade of all three installed air-conditioners in lieu of renovation. The air-conditioners in question are over eight years old and are in questionable condition.

4. In the event there are any questions regarding the above, please contact [REDACTED] on extension 2367.
